
ENGINEERING – PROJECT MANAGEMENT

MISSION

To support the Durham County mission through the management and improvement of County facilities to provide an adequate working environment for both staff and citizens of Durham.

PROGRAM DESCRIPTION

The Project Management, a division of the County of Durham, Engineering Department, is responsible for providing the technical expertise necessary to manage design and construction of Capital Improvement Projects related to County owned buildings. Projects include new facilities and renovations or improvements to existing buildings.

The Project Management Division Office is located at 120 East Parrish Street, First Floor, Durham, North Carolina. Office hours are Monday - Friday, 8:30 a.m. - 5:00 p.m. Telephone: (919) 560-7991 or (919) 560-0735; Fax: (919) 560-0740
